The Premises:

Ground floor flat in Paddington. Clean and tidy. I often hear of luxury fantastically decorated flats. Why don't I ever get one?!!! Don't get me wrong, there was nothing wrong with this apartment, in fact it was quite nice. Maybe I just don't pay enough!!!

The Lady:

Average height for oriental girls, lovely slim body, perfect little butt, gorgeous boobs.

The Story:

Kylie must be a nympho or has not had sex for a long time. I say this because I am a 50-year-old bloke with about as much sex appeal as a Wart Hog. Had the usual massage for about five minutes and then she started snogging me with her tongue half-way down my throat. Before I knew it OWO came and went and then she encouraged me to eat her pussy for a good 10 minutes. On with the condom and mish and she came within 3-4minutes. She apologised for being so fast. I thought maybe she just wanted to get rid of me quick but she then poured me a beer and we had a nice chat and she let me proceed at my own pace. Ended with hand relief with her gazing into my eyes. Fantastic!!

Who needs a luxury apartment?!!
