The Story:

A very nice punt. Read FR54211, and so called for Linda. She was away, but Edith was available. Took a chance (never used agency before), and certainly well worth it. Started off with french kissing and foreplay, OWO/CIM on offer, so who am I to turn that down. Edith was much more attractive than photos suggest, and was certainly willing to ensure I had a good time. Unfortunately had to leave after 45 mins to catch last train home, but will be returning.
