The Premises:

An amazing apartment that she rents and stays with her friend Teresa who is a fellow escort from the same agency.

Very short walk from Sloane Square with very safe and easy access.

The Lady:

Wow. OK I've said this before but it's true. Just like Cindy from Max's, Michelle's pics do not flatter her at all. I thought she looked large but she has a perfect 8 figure that is toned and amazing. Her breasts are real and firm like oranges, and her butt is so amazing, you really have to see her to believe me.

The Story:

Very friendly and responsive. Started with a drink then on the bedroom.

She seems open to most things expect anal. She started with OW (at my request but OWO is on offer). She has a great technique and I fingered her whilst she carried on.

Then we fucked in mish and she moaned and groaned, a little of going through the motions but I was so turned on by what she looked like it did not matter. Just looking at that amazing body kept me going.

We then move onto doggy and I romped until I came.

After we laid on the bed and had a nice conversation. Her English is perfect and she is very charming and intelligent.

I'm definitely a cum once guy, I wish I could do more. Being with Michelle I really wanted to try again but the body let me down.

Go see her, she's fun and true asset to Max's
