The Story:

I wanted to visit Tammy but she was not on duty and so had Maria(last choice or no choice at all) as she was the only person available. Maria took me to a room and I paid her promptly and she went off and came back later. I undressed and laid on the bed, she asked me to roll over so that she can massage my back and used her big tits and rubbed all over me to get me aroused. I asked her to give me a blow job and she obliged and using a condom. I asked her why she has her stocking and shes on and she replied that she likes to her job with her boots on. I asked is the session for 30 minutes and her reply was 20 minutes because it is cheap.My impression was that she was trying to hurry me to cum. I did cum after some concentration but was not impressed by her attitude. As I walk out another punter walk in
