The Premises:

easy to find. went in front entrance which is on the main road but i am sure most people would not realise that it was a parlour and if they do so what!!!

The Lady:

amber is off the hook!!! see for yourselves

The Story:

was gutted when i found there was no light in shower which was fun but was told that bulb had gone..

made up for it when amber walked in she is probably the best punt i have ever had.

i have never used the same girl twice but i have to go back to this girl. awesome that is all i can say.
