The Premises:

Typical flat in Earls Court. Parked the Cayenne on a yellow line which was ok at the time i saw her.

The Lady:

As per pictures. Blonde girl with girl next door looks.

The Story:

Having seen a report which didn't do much justice to this girl's efforts, i thought i'd see her again and write about her. I had seen her previously and had been impressed with her, and had pondered perhaps she had gone downhill since then in terms of her service.

However, i can find little to fault her. She provided a good service and was friendly.

Gave me a massage and then moved south to give me a bbj with good use of her tongue. After completing round 1 in this way, round 2 comprised of doggystyle shagging.

True, as a previous reporter notes that she doesn't like to kiss, but i was quite happy with her overall efforts that in my book she gets a recommendation.
