The Premises:

A nice, clean establishment situated on a main road in the Devonport area. Although overlooked by a busy bus stop no-one seems to take much notice of anyone entering.

The Lady:

Mid 20's, shoulder length light brown hair, 5'5, petite (size 6/8) good sized breasts, shaven.

The Story:

Started off with an excellent massage including some play between the legs. Then rolled onto the front for some more massage before the main event.

Began the serious stuff with some absolutely amazing oral, this girl is hot stuff with her mouth. Then a change of condom and her on top, a couple more positions then finished with some doggy.

An excellent punt from an excellent girl
