The Premises:

A flat on the main highstreet right next to a cafe. Small but clean and secure enough. Bedroom had a very teenage girl feel about it.

The Lady:

Very pretty and cute. 19, about 5`8" with neck length light brown hair. Ola is slim with gorgeous firm but soft boobs and a great arse.

The Story:

Having never visited an escort before, I was somewhat nervous when arriving. We sat on her bed for a while, exchanged money and she asked me what I wanted. I asked for oral and straight sex and she said that was fine.

I layed down next to her on the bed and began to kiss he neck whilst rubbing her pussy (which is beautiful in look and feel). She then stripped and I carried on playing with her whilst she stroked my cock. She then moved down and gave me the first of two soft and slow OWO. WOW. After a few miutes we had sex in mish moving on to Doggy before I had to Take a break. This girl really does have an amazing bum.

Ola then gave me my second BJ of the afternoon before riding me cowgirl. Great.

We talked for a while afterwards and i found out that she was Lithuanian and also very friendly, humorous and intelligent.

Had a great time. definately be back again.
