The Story:

Reena met me in the VIP room which is always worth the bit extra, a real bubbly personality, dressed in a black bra and thong with a little net skirt over. These quickly came off and started with a stand up kissing, cuddling and caressing session. Reena certainly knows how to kiss! On to the bed and with a lot of gentle stroking all over I could feel her goose pimples, her hardened nipples and a desire to please and satisfy. She did say how much she liked the way treated her like a lady, took my time, and heightened her pleasure. Her O with was excellent and we finally finished with me on top having a superb finish. Lovely chatty personality, and a girl I will certainly visit again. Once again a star (Star of Asia?) find by Funplace, treat her gently and you will be well rewarded. Again a full 30 minutes of pleasure. XXX
