The Lady:

Leah is as described / pictured, this (in fact all the women at Sandy?s) must bath in pure baby oil as her skin was unbelievably soft & her lips (mouth) were like velvet.

The Story:

Started off with a massage, then she turned me over and continued with the massage and some kissing. Next onto OWO which was unbeilievably good nearly lost the lot in the first few minutes ! Sex in various positions plus some more OWO.

The GFE was excellent I actually felt like I?d managed to pull this woman in a club or something although I don?t think that?d be likely as she?d have the pick of any man in any club.

Only slight criticism was too much moaning early on but hey everything else was outstanding may have to save up some pennies to get her in a hotel room for a night sometime now she?s doing Escorting too.

Cheers Leah :D (worth waiting for)
