The Story:

My first party and an incredible experience!

Got there late and because of this, only booked the hour - hope to stay for the full 3hrs next time!

Easy place to find and safe. Greeted by Jayce and got the money thing out of the way (you need to prepay ?50 over the web to book your place). Given a robe and shown where to change, whilst you could hear the action upstairs!! Valuables looked after and plenty of refreshments available in the open plan kitchen. Made to feel comfortable and told to get stuck in! It was a hot afternoon and the fans were needed to keep everyone cool! I had spoken to Sable before booking and thought it would be quiet afternoon. In reality, was busy, with all the girls kept busy....very horny sights that kept me hard from beginning to end.

Went with Melinda first....what a wonderful woman! OWO and mutual to giving her a very tasty orgasm! Then cowgirl (although doggy is her preferred position!) Looking forward to going with Melinda again!

Retired to watch more action in the lounge with Doris and Sable being well fucked in all holes! Doris

sat down next to me on the sofa then took me upstairs for delicious 69 and CIM followed by a great shag! Pretty drained at this point!

Sable was kept busy sucking n fucking! i waited my turn and loved the way she sucked me, arousing a pretty deflated man! - her eye contact is incredible! Enjoyed watching her mouth being fucked as i fucked her from behind - incredibly wet and fantastically horny experience.

Finished my time there with Doris whilst Melinda and another punter joined us on the bed. Had i been able to stay longer, i'm sure things would have got more into the group thing - it ended all too quickly!

There was no clock watching and i'd love to stay longer next time!

Next party is on 12th August and then 26th August. Certainly hope to get back there soon!

Even though only 3 girls on this occasion, there was plenty of contact time for everyone. Good standards of cleanliness and a great time offered by the girls! Treat them well guys!!!
