The Premises:

Affinity is well known, reliable and been established many years. The side alley way behind a barber's shop might strike the newcomer as slightly seedy, but it is descreet and safe enough. The room is a small back bedroom and is nothing lavish. The maid and girls are always friendly and seem happy in the job.

The Lady:

Zoe is 5'5" only 22-3 years old, brown hair, nice and slim. She is friendly and has a good conversational skills. I have seen her only three times, but she greeted my like a lost friend, quoting details of our previous conversation three months ago, so she is certainly bright (or I am a memorable loon!).

The Story:

Zoe has great deep throat skills and will apply a number of techniques. She is particularly good with the tongue and lips and is good at acting on instruction. She is slightly toothy, which takes the edge off what would be a brilliant OWO experience. However, she is worth seeing for the deep throat. She is light and flexible and will have sex in any position: she rides on top like a dream, and her doggy is beautiful.

She provides a good time without any rush and is very pleasant to be with - thoroughly recommended.
