### The Story:

Fancied a change from my usual oriental only diet and after a couple of false starts chose Helena. She seemed a bit shy and nervous to start with but after a shower things got going with owo and then sex. Only very light kissing and she applied lube as soon as her knickers were off so no chance of reverse oral. Helenas english is very basic but we lay on the bed and had a friendly chat about this n that before we went for round 2. More owo, sex in multiple positions before finishing in doggie. Probably wont return but I had an enjoyable hour.
