The Story:

O.K. this was my first ever punt so I don't have anything to measure Melissa against but if this is the way you are treated on an average 'punt' I am afraid I am hooked. I went on the basis of the photos on the web site and to be honest I had hoped to spend time with Celine, however she had just finished with another client and however stupid this sounds seeing her come downstairs with a previous client sort of put me off a bit. I had been chatting to Melissa over a glass of wine so I chose her. I have rarely been as nervous in my life and even the complimentary wine before and after did little to calm me down. Melissa did all she could to put me at my ease, she made it a lovely half hour despite my failure to rise to the occasion until frustratingly close to the end. What a lovely girl like this is doing in this business I don't know but we are all lucky she is. Thanks and see you again Melissa.
