### The Premises:

The usual high standards of Victoria House. One girl was busy. one booked just before me, so I chose Laura from the head-and-shoulders picture at reception. A small criticism of VH is that whole body shots of girls with whom you are unfamiliar are not always available. This means you might pick someone with a body type not to your liking, should you be fussy about this.

### The Lady:

Laura was pretty, smiling, chatty and funny. She was dressed in a professional white tunic over stockings & suspenders. She is very buxom, a feature I wasn't expecting somehow, and a bit too buxom for my own liking. She is a Big Beautiful Woman and will well satisfy blokes who like this type.

### The Story:

Laura gave me the most serious back massage I've ever had before rolling on a condom for some very enthusiastic oral with lots of eye-contact. Climbing on the couch on top of me, she eased me inside her for a while then suggested we retire to the leather sofa. I finished in missionary/hand. She was smiling and encouraging throughout.

Laura is well recommended, I would not return simply because she's not my body type.
