The Premises:

Ambassador as described in other FRs: clean, nicely presented, Tvs and mirrors in rooms.

The Lady:

About 21 yo, brown hair past shoulders, largish breasts, beautiful face, wearing black stockings, had beautiful feet under them and beautiful hands.

The Story:

Blowjob with plenty of eye contact, plenty of chat about football, university (she was a student), sex with her on top ('I knew you were going to say that') and then doggy. Unfortunately, I made her bleed and we had to stop but she was not too upset ('a hazard of the job'). I then had a good wank. She asked me what I wanted her to do and I just said to look pretty, which she did. She is the only prostitute about which I have had pangs. I don't know if she is still working, but I hope so.
