The Premises:

My hotel city centre.

The Lady:

About 5 ft 9 inches tall. Cheeky grin, hot voluptuous body built for sex! Great breasts. Young, about 21 or so. Winning personality!

The Story:

This was just an hour of sex with a lady who really enjoyed herself.

We hit the bedroom as soon as she entered, looking like a girl you see in a wine bar and just want to screw senseless. Of course the clothes and into the bed. Some reverse oral, a long 69, followed by BBBJ and then about 30 minutes of very energetic sex. Would have asked her to stay for another hour but had to attend a boring meeting - again!
