The Lady:

Clamed to be Indian but im not sure i do think she was Eastern European 26years old 5'6 36D bust a bit chubby, Had a mark on her right eye

The Story:

Thought I would visit this place as i haven't been here in ages. And was suprised to see that the prices have gone up by ?10 pounds, two girls on offer a blonde eastern european girl and shamilla. i chosse Sharmilla for a cum twice. she gave an ok massage then she rubbed her tits over my back, she doesnt kiss or let you put her fingers inside her pussy came twice then i chatted for a few mins, she said she also works in a place in Plaistow which she said is much cheaper. It was an ok punt But im still not sure if she really was a true Indian. I might go back to Honeyz but not to see her. I think a visit to see Tabby from Giggles will be next on saturday
