The Lady:

As described on Cheshire Companions web site, around 5' 4" slimish build, nice figure, slightly younger looking than her age suggested.

The Story:

Arrived spot on time, dressed very nicely in black with fishnet stockings, very welcoming and friendly, a true GFE doing exactly what she said she would on the 'phone altogether a great experience.

First of three ladies from the same establishment over two days, two of them, Suzi and Abigail deserve 9 out of ten, I will not submit a report on the other one to spare both her and the agency's blushes!!
