The Lady:

Medium height, slim, not too busty, exactly as described (previously saw the same lady about two months ago). Arrived in a sexy wrap around dress with lingerie to match.

The Story:

After a very dissappointing engagement with another lady from the same establishment earlier in the evening, decided to use my monthly opportunity to its full and try again. The agency had previously always supplied ladies not only of the highest quality but also friendly. Abigail is one of their best exponents and provides a truely sexy experience whilkst making one completely at home in her company. A near perfect encounter where the "bed activities" lasted nearly the full hour and encluded everything from kissing cuddling through oral, both ways, to sex. Would have no hesitation in seeing her again.
