The Premises:

Blue Ice - the well-known double green doors, just off Constitution Hill and a short distance from Snow Hill Station. Never the neatest of establishments but it's really starting to look shabby now and could do with brightening up. The area isn't the best but it's ok during the day, with plenty of on-street meter parking available.

The Lady:

Gorgeous brunette, size 8-10. Big dark eyes, long straight hair, perky boobs and neatly trimmed bush. Looked about 20-22 and approx 5'7. Really lovely looking girl.

The Story:

After being led to the room by the new (very friendly) maid and sorting out the cash, it was a full 10 minutes before Chloe entered, looking fabulous in her skimpy white underwear.

Massage to begin, which was nice but felt a bit detached with Chloe sitting on the edge of the bed.

The usual OWO was available, which Chloe performed with a cheeky smile and plenty of eye contact. However CIM was definitely off the menu (twice she asked me not to get anything near her face). Also no french kissing.

Chloe was friendly but lacked the spontaneity of other Blue Ice girls - any movements or positions had to be requested. Consequently this experience, though still enjoyable at times, felt rather flat.

Chloe is a lovely looking girl, but I think I've become spoiled by some of the truly excellent punts I've enjoyed at this establishment recently. I would still recommend Chloe as she is better than many recent punts I've had in Brum, but I'll be keeping my cash for some of the other Blue Ice girls who offer a genuine GFE for the same price.
