The Premises:

Large apartment near the centre of London. Well placed for underground, discreet and safe entrance. Once inside contained two good sized bedrooms for the fun and a good-sized lounge area to relax in. Very nice and clean throughout.

The Lady:

Lady Marmalade the driving force, sexy, beautiful and intelligent.

Laura a slim tanned brunette, great body and lovely personality as well.

Robyn a slim blonde with great tits and a wicked sense of humour.

The Story:

Met by Moss and taken to the apartment. Was disappointed to find Alice was unable to party that day, but this disappointment was made up for by learning Lady Marmalade was playing instead of hosting. Formalities were efficiently dispensed with valuables locked away and everyone showered and changed. Had a very enjoyable way to end the week. The ladies all played with amazing enthusiasm, everyone had all the sex they could want and I think the only people who wanted more by the end were the ladies themselves. Nice atmosphere throughout and good conversation in the lounge area. Good find

a party that doesn't think the guys want to sit and watch tacky porn films while relaxing, why should we when we have the real thing ready and waiting a few steps away. Weren't hustled out at the end, no clock watching here.

Outstanding value for money with nice combination of ladies.
