The Story:

I have seen Savita about 5 times over the last year but not for about 2 months or so. She is very pleasant friendly and accommodating. I got her to do a schoolgirl fantasy where she would dress in a school uniform and act innocent and submissive. I would gradually strip her clothes off while asking her why she is in detention and stuff. Then I stripped off and wanked and shot my load over her breasts?..she made good eye contact when I was coming. On one occasion she fingered my arse while I shot my load no really my thing but it was fucking good. Think ill pay her a visit soon?.
