The Lady:

Black, mid 30s,I would guess about size 12. Toenails painted red and wire stockings. We chatted fine in the waiting room where she was watching TV, and also in the room.

The Story:

She gave me a pleasant enough blowjob and then asked me what position I wanted to try. I hesitated before going for missionary and she saifd 'that wasn't too hard now, was it?' We then changed to doggy, but she said I was too big to thrust and was to go slowly. At first I minded this, but it turned out well in the end. She could have been a little cleaner. She would not let me touch her fanny, but she patted my arse on the way out.
