The Premises:

Clean; smart; good facilities; discrete; good parking; bar with free drinks; smashing receptionist - why aren't all places like this ?

The Lady:

Shelley was described to me as a superstar. She isn't. She is 5'9" or so and a good 36C; nice figure, and good to look at, but it stops there. A broad Scouser completely lacking in any sophistication; completely incapable of doing anything to turn you on unless looking at her does it for you.

The Story:

I picked Shelley because of what the receptionist said about her - should have stuck with my instincts and gone for the very attractive Asian babe offered to me.

Shelley left me to shower and came back as I was drying. Told me to lie on my front - so I knew we were in for a totally predictable session.

Good B2B massage but this is relaxing not arousing so when asked to turn over nothing much was happening in the trouser dept. Shelley rubbed herself over my front and then on with the condom for some energetic but dull sucking.

Then doggy but I wasn't up for it. Tried mish but no good. Shelley finished me off manually, but no technique at all. As soon as I had come she was up and dressing - I was still recovering but had to get dressed and on my way.

Once downstairs Shelley disappeared and left the receptionist to say goodbye.

WFB2 will see me again, but Shelley won't. She would suit a punter who gets turned on by just being in her company but if you need her to arouse you - don't bother.
