The Premises:

Nice little flat 5 minutes walk from Baker Street Tube. Quite discreet.

The Lady:

I was blown over by the beauty of this lady. She's not petite, but she has the one of the prettiest faces and sexiest bodies, that I've seen from a working girl. She could easily charge ?300 per hour for her eyes alone.

The Story:

I don't really want to go into detail, but if you want a woman to make love to you, then see this girl. She has to be more passionate than any girlfriend I've ever had!
