The Premises:

Nice top flat about 5mins walk from Edgware Road or Oxford St , straight into the bedroom but fine and a very clean place.

The Lady:

Serena is petite but lovely and soft and curvy , her boobs are just beautiful and completely natural , tipped with big juicy nipples ! A breast man's delight ! She is inviting and cheerful , speaks Russian and German and her English is ok too .Dressed very sexily with high strappy sandals , the perfect start for me !

The Story:

Gave Serena a massage which she really liked and which got me very tantalised as I was dying to play with those boobs and there was plenty of time for that . Then on to a lovely 69 giving her sweet pussy and bum a thorough licking and she became very wet whilst teasing my member expertly with her tongue and fingers , she really is a sensuous sexy courtesan who knows how to bring you to the edge but only just so as to keep you there ; then just had to get into mish to slide into the juicy honey pot and had a super long cream inside . Relaxed and sensuous afterwards , Serena did all she could to entice seconds out of me but alas I was too far spent , oh for youth back again ! Sexy satisfying time with a warm hearted woman , I am dreaming about those lovely pendulous but firm tits already , must come between them next time !
