The Premises:

Very small studio flat in large serviced building. Easy to find; extremely clean. You could not ask for a safer venue.

The Lady:

Lauren is in her mid-30s; I found her body exquisite (fairly tall, slender, but well curved). The photos on the website do not do her justice; she is much more attractive and has a wonderful smile.

The Story:

This was my first-ever punt. I was very unsure when I arrived at Lauren's flat. She put me at ease. While she said that she was new at her job, I thought she was wonderful. Without going into details, she catered to all my whims and then some ... I only wish I had been a more experienced punter so that I would have got more out of our encounter.

Lauren has not been available on subsequent occasions, but I would love to see her again now that I am no longer as nervous when seeing a girl.

It was a 5-star experience!
