### The Premises:

Usual Divine place, clean, smart, nr City Station

### The Lady:

Quite pretty, slim, blond. early 20's

### The Story:

What a waste of 60 quid. I've had more personality from a common house brick. Mechanical, and very average. Came in, stripped off, on the bed, doesn't kiss, fiddling with the old chap, BJ (covered) very average, got on top but the bored expression was a real turn off. Ended up getting off with my own imagination, could have done that at home. Complete waste

### Service Provider's Rebuttal

The establishment writes, "It always amazed me the lengths some people will go to, to ruin a girls working day. This appointment did not happen. Tia is a beautiful girl who offers 100% with every service. In 6 months she has never received a single complaint and is one of the most popular girls I have worked with. I imagin it is is her popularity that has earned her this report from someone hoping to steal a little business their way!!"
