The Lady:

Photos are accurate. Great body, Very Busty. Bit too much make-up on her face, but that was not why I visited.

The Story:

I am a tit man. Michelle has a great rack. But she does not like to use it. I love ladies who can tit wank me and do owo. She tried, but not really. She had to tug me off in the end. It was actually a rather awkward punk, she seemed to just want to sit there and do nothing. No kissing. It was like she wanted me to wank myself while she just laid there. She did some owo and tried to tit wank but said her back hurt??

Very disappointing.
