### The Story:

When you arrange to meet Tara you get the 'real' thing, no sides, no act, just a very lively, genuine and bubbly person.

I had arranged to meet Tara for a dinner date at an Oxford hotel, I was delayed in traffic so called to tell her to be told with a laugh 'that's ok, I need a drink so I will meet you in the bar?'. After a very quick shave, shower and change I almost ran down to the hotel bar and there happily working her way through its contents was Tara, looking sensational. She is a very attractive woman who exudes sexuality and greeted me as if we were very old friends.

After a very entertaining dinner, during which the conversation flowed shamelessly around many subjects (the waiting staff could hardly believe what they were hearing) we headed back to the room. With Tara, this was an effort, we barely made it after passionate embraces on the way out of the restaurant, in the lift (only later noticed it was a glass one!) and the corridor back to the room.

Once there within what seemed like microseconds Tara was on the bed, dressed in extremely provocative underwear (wow what a figure) and demanding immediate attention. There then followed one of the most memorable sessions I have ever had. She is responsive and really knows how to please you as well making absolutely sure she is satisfied as well, great sex! Tara by the way is not exactly quiet! And at some point during the evening I heard a knock on the door, which I ignored of course. Some half hour later I found a note pushed under the door asking if we were interested in a threesome!!!

This was a fantastic adventure with a very, very sexy lady. Clearly, a girl who escorts for the pleasure and fun it gives her. When you see Tara you get the whole thing, as it says on her site, just great fun to be with.
