The Premises:

Very safe area - nice flat. Obviously shared with others - people were moving around all the time, which was a tad off-putting on occasion. Nice room with en suite.

The Lady:

GORGEOUS ... and I mean DROP DEAD GORGEOUS. She is a mega-babe. Very tall - perfect tits. Said she was a model in Italy and I so believe her. Great tits and arse.

The Story:

Opened the door in just her underwear. Oh my God! Couldn't believe I was about to shag this parody of loveliness.

Had a very quick shower, while she watched - which was kind of erotic.

Very light kissing and then into the action. Lisa is very friendly and a definite GFE. Lots of OWO - her technique is good - then on with the cover and mish for a while. She has incredible pussy control and kept squeezing my dick. Whipped off the condom and got her to give more OWO. She pulled out as I came and she unloaded me all over her tits. Very satisfactory.

Chatted for a while and she got me to rub her anti-cellulite cream into her arse ... ;) ... then onto round 2.

More OWO, on with the raincoat and more mish, then CG, then doggie. Great shag from behind with that fantastic arse. Then off with the cover and more OWO with her sat in a chair in front of the mirror. Wanked over her tits to finish.

Lisa is very good at what she does. She obviously is not too keen on kissing which is why I would only give her 9 out of 10. If she french kissed I would sell my house and book her every day until the money ran out.

Great punt.
