The Lady:

A Polish dream team for Club Fantasy. Pictures on the web site reflect the looks of the tall willowy brown haired Hanna and the shorter slim blonde Dori but don't capture Dori's laughing blue eyes or Hanna's sultry pout.

The Story:

These two girls like each other and work together well. They also enjoy what they do and it shows. They have returned several times to Club Fantasy. I've seen them at three parties and what was very good the first time has become utterly superb as I've got to know Dori and Hanna better.

This isn't one of those FRs full of details of who did what to whom, when and for how long. That stuff is superfluous here. Both girls are enthusiastic, gorgeous and skilful in the arts of pleasuring men. They represent an experience which is not to be missed and they are genuinely pleasant and friendly. I would recommend their next appearance as an ideal opportunity for those who have been debating when to attend a party. Run, don't walk. You will not be disappointed.
