The Premises:

She worked from a small flat not far from Bayswater and Royal Oak which was easy to find. The bed was 2 single beds made into a double but nice and comfortable and seemed to work well and the place was tidy.

The Lady:

When i arrived at the door I was gobsmacked, the photos on the site were nice but don't really show her at her best, although she still looks very good in them. Yuki has a perfect body if you are into tall slim oriental girls, and nice full lips. She told me how she used to be a model in Asia and I can see how. Why a girl like this is escorting is beyond me but i'm not complaining.

The Story:

I arrived paid the money and was offered a drink which i accepted, then we sat down in the bedroom and had a little chit chat, she looked into my eyes and kissed me passionately. After this she laid me down on the bed kissing over my body, and pulled my tshirt off until she got down to my trousers. She stuck her hand down them and felt my hard on, then unbuttoned the fly and deepthroated me and didn't use a condom. She sucked my cock, and licked my balls, like a porn star, and then she said she wants me to cum in her mouth. I did with glee and she seemed to swallow a fair amount and spat out a little. Then she had a quick sip of mouthwash, and came back to massage me and kiss my body again while I sucked and pinched her nipples, then gave her some head and it tasted good down there, and then it was onto the second blowjob of the day.

This time she got me hard and grabbed the condom and asked if I was ready which of course I was and took it out of the wrapper while still sucking on my cock. Then she quickly rolled on the condom, got on her knees and I fucked her from behind. I spanked her a little which seemed to be ok and then I turned her over and fucked her missionary. I was fucking her pretty rough but she seemed ok with this, and was moaning like crazy, she is a loud girl and makes a lot of noise I was getting a little worn out but wanted to make it last a while so she told me to lie down and then she rode me very fast and with a lot of enthusiasm until I came a second time.

She speaks perfect English unlike most of the Thai girls who seem to dominate the Oriental scene

in London nowadays and actually does come from Japan. I give her 2 thumbs up.
