The Premises:

As described in previous reports Victoria House is by an absolute mile the best place in the county of Leicestershire. Very clean and always having one or another area redecorated, other parlours take note. The receptionists are always friendly. I was a tad early and watched t.v upstairs and then asked to come down to the v.i.p suite when rachael was ready.

The Lady:

Rachael is very tall at 5'10 ish and very elegant lady. An earlier report compared her to posh totty, and i have to agree, a lovely posh accent. She has blonde shoulder length hair, very busty and legs that i don't think have stopped growing.

The Story:

Rachael breezed in bang on time and told me to take my bits off and lie face down on the bed asking if i required talc or oil. I was massaged face down for about 10 minutes which i have to say did become a little repetitive. I was asked to turn over and what followed was 50 minutes of sheer bliss. Asking if i wanted to go once or twice i went for once because i had a few courses to sample and i didn't want to rush. Rachael asked me what i wanted, now no great details here fella's but i had oral on me (covered) in 3 positions, reverse oral in 2, anal massage and watersports (both on me) finishing off with sex. It was a great hour i think Rachael performs the best covered oral i've ever experienced.
