The Premises:

Smallish flat in a large town house in very nice area. Parking restricted to permit holders only, but walking distance from the tube.

The Lady:

Glamour model, huge fake (but excellently done) breasts, beautiful facially and a bum like a small firm peach! My perfect woman.

The Story:

Got off to a bad start as Emma was half an hour late (although the agency kept in contact all the time). Met me outside and once in the room started with great snogging as she undressed me and took me straight in her mouth. Lots of very good OWO, repaid the compliment and then finished with CIM (no swallow).

Very pleasant conversation followed as i prepared for round two, but had to initiate this myself. Told there was only ten minutes left when it was more like 25 minutes, but i've learnt not to quibble as this destroys the mood. Quickly got hard (not difficult just looking at this girl) and she rode me like a woman possessed.

All in all a good experience, but you get the feeling she is a woman in a rush and wants to be somewhere else, after arriving half an hour late i might have expected a bit more attention and better service. Worth it in my opinion for her looks alone.
