The Premises:

My first time here but this place has so many reports that I had to pay a visit. Now they have another regular.

The Lady:

Kelly's like her pictures (maybe slightly heavier and brunette), pretty and most important: busty! I don't know why but lately: busty is better, maybe I'm tired of all this 'flat' EE Girls. Anyway Kelly has a very nice body.

The Story:

What a body! Before of sex she gave me a very, very nice oral, played a bit with my cock and her HUGE tits, kissed my nipples and sucked again my cock. We had sex and I wanted to last longer but her loud moaning and those tits bouncing up and down were too much for me. I came sweating like a horse and she left me completely satisfied. A very good one.
