The Premises:

Small flat in Bayswater typical of the average working girl really, flat is on the 3rd floor and easy to get to.

The Lady:

She is a tall, slim Japanese girl and has an aura of sexuality about her, very nice eyes and smile, I like.

The Story:

Well I liked the sound of Yuki based on previous field reports so arrived hoping for some nice owo and sex although things didn't quite go to plan and this is no fault of Yuki's. We french kissed for a while and then it was blowjob time and I have to say this is the best blowjob i've ever had, the girl sucked the whole shaft of my cock taking it in deep and well lets just say i couldn't control myself too long and came in her mouth, and then watched the cum dripping from her lips. She then quickly washed her mouth with mouthwash and then gave me a massage followed by a handjob and asked if I was ready for sex yet and I wasn't quite ready so she moved her lips back to my cock and started sucking again and lets just say once again the feeling was too good and I came a second time. After this she had taken all the cum out of me for one day so unfortunately we didn't have sex on this session, but I will be seeing her again to eventually do it. Next time I think I will ask for the blowjob after sex just so I get to experience her in full. She is a great sexy girl, and even taught me a little Japanese. I look forward to going back soon
