Well know place just outside Birmingham city centre. Rooms are functional.

The Lady:

A gorgeous girl with a very pretty face. Lovely figure and an arse to die for.

The Story:

Paid the usual for the half hour. Amber came into the room within a couple of minutes. One of those jaw dropping moments, definately one of the sexist girls I've ever met. After a sensual massage - Amber playing with all the right bits it was OWO wow. Needed plenty of will power to keep myself from cumming. Reverse oral (one of my favs)and then on with the rain coat. Enjoyed Amber on top grinding her pelvis against mine. Then doggie and what a gorgeous arse. Was too much to bear. One of the best girls around. Hope she stays around for a while, will be returning to see her as often as I can. Stunning.
