The Premises:

Karens in levenshulme. Fairly safe area. Inside the parlour is ok, i had an upstairs room, very spacious ith and ensuite shower and a double bed.

The Lady:

Sort of girl next door, something sexy about her, saw her on reception once and was very tempted to ask if she worked. Katie is blond, late 20s/early thirties, ace body id say 36, 24 34. I think shes relate to karen. shes a nice friendly personallity.

The Story:

After a shower, Katie came in, She gave me a short massage, whilst chatting all the time. I turned over and she lay next to me. We kissed for a while and I sucked her breasts. I then gave her some O, she really enjoyed it and was very vocal, must have done this for about 10 minutes. I then stood by the bed and she returned the favour. This was fantastic the view in the mirror was ace and nearly sent me over the edge. Finished in doggy, didn't last long though and i came really hard.

Katie is a nice girl, not a stunner but if you're feeling horny and want good VFM, then you won't go wrong.
