The Story:

I don't think that Steve will mind me saying that this was an unusual Club Fantasy event. He does not usually book two voluptuous ladies. I'm sure that the reason that he made an exception is that Marie and Anabel are exceptionally good at what they do. They are not ladies who only lovers of big women will find sexy they are two very sexy and accomplished ladies who also enjoy each other's company and work well together as a team.

So this was one hell of a party for lovers of large, sexy knockers and luscious, sexy rear ends. And indeed a hell of a party for lovers of full on very sexy shagging, blow jobs and other naughty stuff. This was two hours of non-stop action. Neither Anabel nor Marie stopped for more than the briefest breaks. If they were not pleasuring the guys they were into each other. This was an evening to savour and to remember.
