The Premises:

Yuki's flat was small, I think she shares with another girl as there were two single beds, but it was clean and I felt safe.

The Lady:

The only word I can use to describe Yuki is beautiful, she is tall and sexy, with a great body, nice eyes, and nice lips.

The Story:

I've been reading about Yuki for a while now, and wanted to see what all the fuss was about, and find out if she really does live up to the high expectations I had set, and well she surpasses them. Her bj technique truly is the best in the game today, and she seems to love her job, seriously the girl just seemed to be all over me from the moment I walked in.

We started off with a quick shower together. Then it was onto the bj which was amazing, and yes she did it until I came. Then a nice little massage, and handjob, and then it was onto a sex marathon, where we must have fucked in as many positions as you can think of.

As well as the sex she speaks perfect English, so conversation was good, and Yuki is a good laugh. She is a gem and definitely worth seeing if you are into Oriental girls.
