The Lady:

if you like the thai experience,jasmine is about as good as it gets!owo was an extra ?10 but well worth it.pussy not shaved but trimmed to perfection and as sweet tasting as they come,perfect for burying your face in!

The Story:

i enjoyed jasmine very much,she is very polite, accomodating and she calls you 'baby'in a sexy thai accent with a giggle.i like the way she seems to get her knees to point east and west when she lies back and spreads her legs ready for mish almost like she's doing the splits. presents a perfect pussy target.i'm going to ask her about a levels next time !
