The Premises:

Smart modern development behind Paddington Station. Very safe and busy with office workers. Excellent apartment in discrete building. Met by Moss downstairs and taken to apartment. Very smart, clean with 2 bedrooms, 2 bathrooms, large living room and enclosed balcony set up for playing in as well.

The Lady:

Three ladies partying. Lady M, very sexy Indian lady, full of energy, very proactive. Great figure, busty with fantastic ass. Lisa, German lady, corn blonde hair, very pretty, slim with the most amazing pair of large tits, they have to be at least size g and all natural. Crystal, pretty English girl, great figure and big tits. Bubbly and chatty with a very dirty laugh

The Story:

Staying in London overnight, I was checking Punternet for an escort when I saw the adverts for parties. Choice of a couple and this looked the classier of them. There were 4 other men at the party. The evening turned out to be a mixture of relaxing and interesting chat and very arousing sex. Plenty of girl on girl action with strapons etc when we men were flagging and a nice with plenty of wine. Not at all what I had expected. It is certainly an excellent way to pass an evening, good company, beautiful ladies, fine wines and red hot sex, unbeatable combination. I would highly recommend it.
