The Premises:

Fantastic apartment, the only one on the top floor of a modern block near to the Ski centre. Room clean and light with its own bathroom. There is a seperate shower room. Jazz playing softly from a cd.

The Lady:

Exactly as per her photos, but more beautiful. A lovely smile on her mouth and in her eyes. Perfect figure (in my opinion)

The Story:

The fourth visit to Carla. I don't generally write FR's unless the visit is especially bad or good. Carla is exceptional. After eight or so years with this hobby I have never met such a lovely girl. She takes her time, and just makes you feel special. Best bbbj, lots of eye contact, loves her pussy and bum being licked, `clean smooth and yummy.

If I were 20 years younger I would want this girl to be mine. In fact I may just go bankrupt!! Thank you Carla.
