The Story:

Started with a massage, then bj, then to the sex swing, willing to do any position requested with enthusiasm. Come after about 40 mins when Sophie nipped to the loo. I thought I may as well get ready to go. But to my joy Sophie told me to get back on the massage table for another rub down, to my surprise she soon turned me over put on a condom and told me to take her from behind finishing by coming again all over her chest. She is fucking unbelievable and an absolute treasure. Treat her well guys she deserves it.

Sophie if you read this your a gem, still cant believe in how much we have in common if you know what I mean. Just so long as you dont tell me to build a bridge and get over it. Still laughing xxx see you soon.
