### The Story:

I booked Nikita after reading previous reviews of her. Nikita is a good-looking girl but not as firm as her photos would suggest. She is a shy but once warmed up, she is rather intelligent and good to talk to. Regrettably, this is where the positives end!

Her service is very mechanical. Everything is covered, including BJ, she does not do DATY or kiss. Though her BJ is covered, her technique is good. But at this price, you would expect more.

Alltogether, a rather boring experience. Good looking girl that think she is better than she actual is!
