The Premises:

The flat is next to a pub and in a less than average area but it felt OK. Found the entrance which is the same as the pubs, buzzed Michelle to let me in and climbed the stairs to her flat. The lights on the stairs were off and initially I wondered to myself if I was mad being there. Anyway, I found the light switch and made my way to Michelle's door.

The Lady:

Michelle was wearing a tight, figure hugging, short white dress with her huge and natural 34Ds spilling out of the top of her bra. The flat is just a room and quite small but clean and with a double bed. At the end of the bed is a table where Michelle and I sat for a few minutes. We chatted a little while Michelle texted the agency to say I'd arrived and I presume that I was OK. Michelle and I then downed a couple of vodkas just to relax both of us.

The Story:

We stood and Michelle pressed her body close to mine and she french kissed me. I removed my clothes down to my boxer shorts by which time my erection was already thumping. I kissed Michelle more and she slipped out of her dress. This revealed a beautiful body as per her pictures and little white lacy knickers and panties. After a while I removed her bra, she took my cock in her hands and we continued to french kiss while standing.

We removed the rest of our clothes and moved to the bed where I sat she she stood naked in front of me. I played with her breasts and sucked on her nipples. We cuddled up close on the bed. I enjoyed french kissing her, kissing and sucking her tits, playing with her hair and just enjoying her beauty. Michelle is the most stunning girl I've ever been with. Not only does she have an amazing body but her blue eyes are to die for. I couldn't stop just looking into her eyes and smiling! Michelle was mostly shaven with a tidy and tight pussy. I decided not to penetrate her but fingered her while french kissing her as she brought me to climax with her hands.

Michelle is a dream. She provides a full girlfriend experience and she's amazing in bed while managing to appear shy! If I were a rich man I'd spend every day with Michelle.
