The Story:

Sara took me into the bedroom where she asked me to take my cloths off, i lay on my front and she stroked my body paying alot of attention on my balls felt fantastic she could tell i liked it so spread my legs so she could really stroke them, she then rubbed her huge tits over me.

Reaching between my legs she felt my hard cock and asked if i wanted to roll over, once on my front she ran her tits over my cock then gave me some oral with, after a few mins she asked if i would fuck her, she climbed on top and fucked me hard after 5 mins got off took the rubber off and spat on my dick and wanked me rubbin her tit over my cock asking if i wanted to cum over them. It was all to much for me and i shoot my load

Def worth a trip
