The Story:

I have been to many parties... So many that I don't bother reviewing them usually. Some are good, some disappointing, most are fun to some degree.

But I've decided to review this particular party because, in my view, Sacred Rose Parties are what they should all aspire to be like!

Simply the most fantastic evening!

Greeted by amiable doorman Marino (yes the pony-tailed geezer from countless Ben Dover movies!) and the delectable Kaylee, it wasn't long before we were encouraged to change into towels/wraps and get on with it..

I started with the amazing Roxanne, who I shared with another guy as she deepthroated us (OWO - or rather WOW!) one by one. So as not to peak too early, after a while, I retreated to another bedroom and got the most amazing BBJ from Maria who also rubbed my cock enticingly against her wet cunt...

Retreating again back to Roxanne's room, I found Meg (Kaylee's swinger friend who'd just come along to try out her first - and I hope not her last - party) being fucked by one guy whilst sucking off another and, next to her, Kaylee in exactly the same position... I watched for a while before I realised that Roxanne, whilst she was being energetically fucked, had a free mouth... Not for long. She sucked and deepthroated me until I came in abundance all over her face and in her mouth.

A little break and I found myself watching the lovely Spanish Maria sucking off a guy. Not wishing to

waste her fabulous cunt I donned the requisite armour & fucked her till I exploded.

Again a break for beer & snacks followed and then, having chatted to Meg for a while, a couple of us took her into one of the rooms. First Kaylee joined us and gave me one of her wonderful blow jobs, then I rejoined Meg. One guy fucked her from behind as she bent over my body and gave me the most amazing BBJ. I was, I admit, starting to flag a bit, but she stuck at it till I came in her mouth.

After this we were all treated to a show. Kaylee lay on her back in the living room, Maria sat on her face, Meg sucked her nipples and Roxanne licked her clit & penetrated her with a vibrator. It didn't take long before Kaylee's famous party piece had us all reaching for the umbrellas!

Half an hour later I was back in the same room with Roxanne & two other guys. She sucked me while one guy fucked her and another wanked over her. Amazingly all four of us seemed to cum together!

That was the party. It was unusual because all the girls seemed to be enjoying it as much as the guys were, unusual because the atmosphere was relaxed and friendly - rather like a real party(!), and unusual (for me) because, as a guy in his 50s, cumming four times in just over three hours is, to say the least, a recent record!
